

Invitation to SIOS marine infrastructure workshop

SIOS has the pleasure to invite you to the second workshop of the SIOS marine infrastructure network!

[Information about the network and the first workshop](#) can be found on the SIOS website.

The second infrastructure workshop will build on the outcomes of the first one held in November 2020 and include:

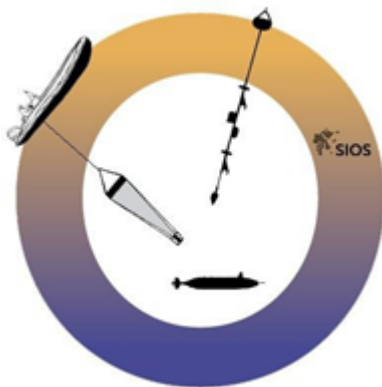

- Updates on marine infrastructures in Svalbard
- SIOS core data - what next for marine variables?
- Harmonising marine observations and data collections

Date: 7th December 2021, 09:00 – 13:00

The workshop will be held online and it is free of charge.

[Please register for the workshop on Zoom.](#)

Detailed programme will follow.
